One Act Plays

UHS One Act plays

Between love twists, Pinocchio's nose growing, women's rights issues being tackled and RDP houses being built, the audience was blown away by the dramatic talent showcased on the 21st of August on the occasion of Union High School's One Act Plays.

During the first play titled *Sweet and Twenty*, we witnessed Tumi Dorane and Mvikeli Mtirara falling humoursly in and out of love. The second play dealt with women's rights in the well known fable Pinocchio but with a twist. Well done to Xhamla Dyantyi who won Best Actor of the evening for his role as Gappetto. Hercshel Mackelina was awarded Best Supporting Actor. Lastly with humour and song, the play "Housing for All" shed light on the RDP housing situation in our country. This play was awarded Best Play of the evening with Best Actress, Bontle Riet and Best Supporting actress Likhona Dibi performing in the same play.

One thing that was clear from the evening besides the many hours it took to ensure the noticeably high standard of performances, is that Union High School has a wealth of acting talent and we certainly look forward to next year's plays.
