

## **ACADEMIC AWARDS POLICY 2024**

FOR ALL GRADES:

- November results of the previous year are used to determine Academic Award Winners.
- The November results constitute all School Based Assessment marks for all four terms and at the same weighting as used by Department of Education and as reflected on the final report of the learner, captured on SASAMS and as submitted to the Head of Department Education through the DATA DRIVEN DASHBOARD
- Marks to be looked at on the rating scale from 1 to 7 or percentages where a grading of 1 represents 0-29% and 7 represents a grading of 80-100%.
- An Academic Award winner will only be considered if all common SBA components have been completed timeously.
